About P. E. Society

Progressive Educational Society is one of the leading educational institutions in Maharashtra. Late Gurusvarya Shankarrao Kanitkar founded Progressive Educational Society in 1934 with a great foresight. He was the inspiration to members who joined hands with him in implementing the idea of starting new era of education system in Pune. The remarkable two words “Progressive” & “Modern” were used by founder to demarcate the dreams & future road map of Progressive Educational Society.

The society progressively bloomed in the hands of Dr. Gajanan R.Ekbote, Chairman, Business Council, P. E. Society. He is an eminent surgeon & an able administrator who leads 56 educational institutions which include Pre-primary, primary, secondary, higher secondary school & colleges under various faculties like Arts, Science, Commerce, Engineering, Pharmacy, Management, IT & Law etc.

About Modern Institute of Business Management

P.E. Society has established Modern Institute of Business Management (MIBM) in 2010. MIBM's vision is “We aspire to be recognized as a leading management institution dedicated to serving the world of business through professional, technological, social and intellectual contributions made by research oriented & committed teaching fraternity.

MIBM nurtures its students to develop a holistic approach, a curious mindset & the ability to think differently and innovatively to harness the opportunities emerging from challenges. MIBM students are well equipped with the right skills to deal with changes & future challenges that every business may face.

To fulfill its mission in new & powerful ways, each member of MIBM community strives to achieve excellence in every endeavor. MIBM believes in making a better generation who would fit into this challenging environment seamlessly.

Conference Overview

“If you think you are beaten, you are. If you think you dare not, you don't! If you want to win, but think you can't, it's almost a cinch you won't. If you think you'll lose, you're lost; For out in the world, we find success begins with a fellow's will; it's all in the state of the mind. Life's battles don't always go to the stronger and faster man, but sooner or later, the man who wins is the man who thinks he can.” -

*Walter D. Wintle,
American Poet*

It is your mindset which decides the future path you are going to take. Entrepreneurship is important from the perspective of economic development. The promotion of entrepreneurial activities can set up an important instrument in the tool kit of policy makers focused on reducing poverty & improving human development in their communities. The seminar provides the insight for the students to comprehend & deliberate various avenues of entrepreneurship. The seminar aims to be a knowledge forum for entrepreneurs, teachers & students to share & express various avenues in entrepreneurship, new entrepreneurial challenges & how to overcome these challenges. The seminar intends to stimulate new ideas among students & academicians through a deliberations & discussions on developing an entrepreneurial perspective among them & to enable them to become the contributors to a successful & sustainable economy. The seminar will endeavor to interact with students with real life projects & challenges faced by entrepreneurs.

Objectives of the Conference

- To be acquainted with various new avenues in entrepreneurship.
- To facilitate the students, academicians & entrepreneurs to build symbiotic relationship
- To reach out the young minds & help them realize their potential, thereby explore opportunities & aspiration
- To interact the relevance of developing entrepreneurial approach
- To empower students by inducing the essential skills & knowledge required for new entrepreneurial ventures
